

# MORAVIAN UNIVERSITY

**Discover Your Brilliance.**

# Hello from Moravian University!

**We're thrilled to be a part of your college search process and can't wait to share with you how Moravian's Elevate experience is redefining higher education.**

Moravian's distinctive Elevate experience begins with our extraordinary commitment to students. The faculty know you, our alumni help you, and your advisors guide you. We see our students transform year to year—always curious about what's next, ever confident they will achieve it. This is a private education you won't find anywhere else.

With small class sizes and expansive academics, Moravian is rooted in an education-for-all inclusiveness that we pioneered. Moravian has constantly evolved over 280 years and now carries university recognition, reflecting the richness of our undergraduate, graduate, and research offerings.

Set in charming Bethlehem, Pennsylvania, Moravian University is the place for those expecting remarkably dedicated faculty, the latest technology, the warmest of spirits, and the power to truly transform your life. This is where you'll discover your brilliance—and everything else.

So, keep an eye out this year for Moravian's team of admission counselors. They'll be visiting high schools, attending college fairs, and hosting on-campus events for students like you. It would really make their day if you stopped by to say "Hello!"

**Good luck this year—be sure to stay in touch.**

**Mary Beth Carey**

Assistant Vice President for Undergraduate Admission and Financial Services

# Your Education, **Elevated**

**Moravian University's distinctive undergraduate experience, Elevate, begins with an extraordinary commitment to students and ends with the promise of a successful future—a career you love.**

Your Elevate undergraduate experience is all-encompassing—it's four years of challenging academics, engaging student life, the latest Apple technology, and hands-on career exploration and support. Every aspect is designed with your future in mind; we asked employers what skills and experiences they want their future employees to have. So this is our approach to a college education that prepares you for success after graduation.

# Named an Apple Distinguished School

FOR 2018-2020 AND 2021-2023

# Apple Technology, Everywhere

**We believe in providing an accessible and engaging education for all—and that begins with our technology.**

In addition to earning the distinction of being an Apple Distinguished School, Moravian University gives every incoming undergraduate student a MacBook Pro, an iPad, and an Apple Pencil as part of your Elevate undergraduate experience. This technology is yours to keep throughout your education at Moravian and beyond. Plus, our classrooms and buildings are equipped with Apple Airplay.

Your professors will use the same equipment, and they're trained to integrate Apple technology into their classrooms. Moravian faculty includes Apple Certified Teachers and even an Apple Distinguished Educator.

#### APPLE CARE

Our IT team is at the ready if you have any issues with your tech—no missed deadlines or costly service fees for you!

These next few years at Moravian are yours to mold, but you won't be without the support and resources to guide you through.

You'll meet regularly with your dedicated advising team, including your academic advisor and career strategist. Your team works together to help bring your career path to light.

### Global Greyhound Trip

As a sophomore, you'll be eligible to participate in a study abroad opportunity, or, as we like to call it, your "Global Greyhound Trip." Your Elevate experience includes a faculty-led trip to one of our featured destinations—Czech Republic or Costa Rica—at no extra cost to you!

**20+**  
STUDY ABROAD  
DESTINATIONS  
ACROSS THE GLOBE

### See the World

If you want to take your education even further, consider traveling abroad for an entire semester with an affiliate or exchange program, taking an Alternative Spring Break trip to volunteer, or interning internationally. The world is yours to discover.

# Gain a Global Perspective

**Our Center for Global Education is dedicated to breaking down the borders of your education and expanding your horizons far beyond the Lehigh Valley.**

Moravian believes that all of its students should get to experience the world—and employers need you to be ready to live and work in a world that demands a global perspective. That's why we built a study away trip into your Elevate experience!

**96%**  
OF OUR STUDENTS

GRADUATING.

# Career Goals, Realized

**Your Moravian undergraduate experience, Elevate, was designed with input from employers, alumni, and students just like yourself!**

Employers asked for global perspectives, real-world work experience, leadership and teamwork skills, and more. We answered with Elevate, a game-changing, career-focused education that prepares you for what comes next. We promise this education is an investment that will pay off.

## **Meet Your Career Strategist**

A member of your advising team, your Career Strategist will help you define your career goals and work toward them. You'll meet at least twice a semester to talk about opportunities like internships and co-ops, how to navigate the Career Readiness Digital Badging App, and what your career toolkit should look like.

## **Build Your Digital Résumé**

Your Elevate undergraduate experience is going to prepare you for a successful life after graduation, but how will you summarize your four years of college on your one-page résumé? Can you showcase all that you've accomplished and learned in your job interviews or grad school applications?

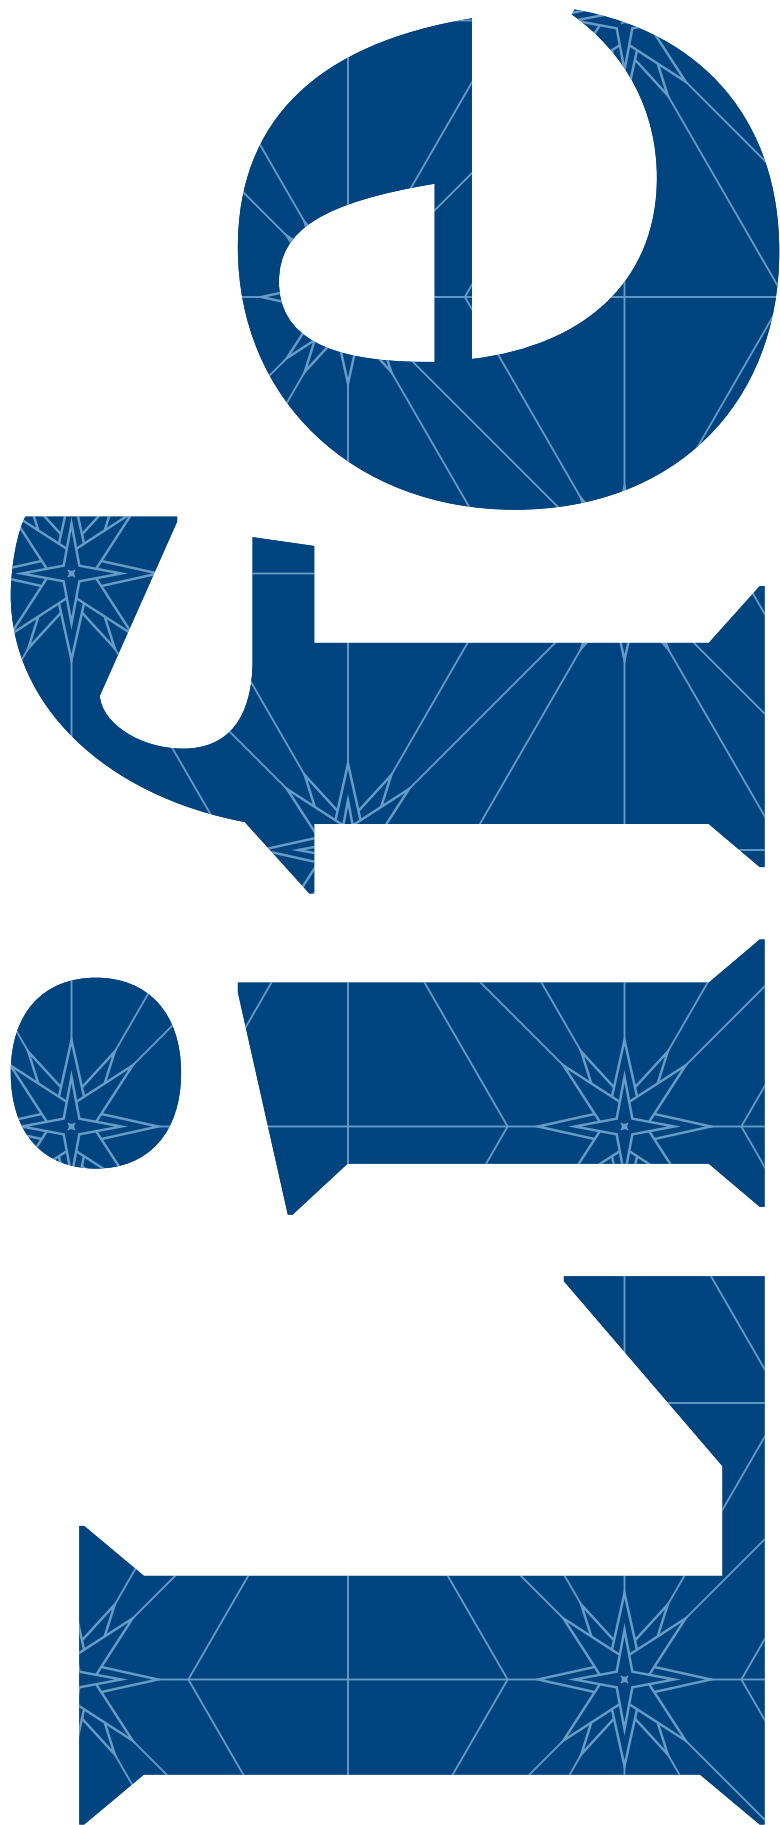

Moravian University's Career Readiness Digital Badges, offered by the Center for Career and Civic Engagement, have you covered, providing the perfect way for you to articulate your Elevate experience and stand out to potential employers or graduate schools.

## **Our Career Promise**

If you complete all eight badges by the end of your senior year and are not employed within one year of graduating, Moravian will assist with paying your student loans, offer free enrollment in select classes, or provide continued support with networking, job opportunities, résumé updates, and skill-building.

# on Campus

## Dining

There are a number of on-campus dining options for students on any schedule. Our Main Street Campus dining space, the Star, offers made-to-order dishes, including fresh pizza, an allergen-free station, and the Sustainable Table, a station featuring locally sourced foods made fresh for you. DeLight's Café features light, healthy options, while the Blue and Grey Café is the ultimate grab-and-go spot. Clewell Dining Hall is a favorite among our south campus residents. And don't forget all the great places to eat out in downtown Bethlehem! You'll never run out of choices.

## Housing

Moravian undergraduate students live on campus in traditional residence halls, suites, apartments, fraternity and sorority houses, townhouses, and more.

The residence hall experience at Moravian University provides students with opportunities to learn from one another and create long-lasting bonds. All on-campus residents have access to a furnished unit, wireless internet, coinless laundry, common lounges, and kitchen facilities, either within the individual unit or in the larger residence hall.

### Alternative Break Service Trips

Service trips allow students to gain a greater understanding of global political, social, and economic issues while visiting different parts of the United States and the world. Through training, orientation, and guided reflection, students embark on self-discovery and personal transformation. Ask your advisor how to make this your Elevate Global Greyhound Trip!

# Make a Difference

We believe in giving back to the community that lifts you up. That's why civic engagement (our way of saying community service) is folded into nearly every aspect of Moravian University.

### The 1742 Experience

The 1742 Experience offers an opportunity, before first-year orientation, for students to focus on service in the community. This hands-on learning program brings students to campus one week early to build relationships with classmates and to develop a commitment to service and leadership for the common good.

### Heritage Day

Heritage Day is a celebration of Moravian tradition, community, and service. For one school day during the fall semester, students, faculty, and staff gather to serve their community. Heritage Day is an opportunity for us to learn about the founders of Moravian and our cultural heritage.

# A Sense of Belonging

**Moravian University is committed to being a place of equity and diversity, and every ongoing step to ensure this comes from the entire reason Moravian University was founded: education for all.**

We welcome students of every background and faith, and we celebrate our historic roots in the Moravian Church by continuing our founders' legacy of crossing borders and overcoming barriers.

We want you to express your true self and will do everything we can to make sure you feel supported and at home here!

## **Office for Diversity, Equity, and Inclusion (DEI)**

DEI provides leadership and works across the institution to support and sustain the development of a diverse, equitable, and inclusive campus culture where members of the community experience a sense of belonging. Our work centers on critical reflection, community conversations, compassion, and collaboration.

## **Office of Spirituality and Inclusion**

The Office of Spirituality and Inclusion centers around building community, honoring diversity, and engaging in spiritual dialogue. The chaplains provide opportunities for worship, discussion, fellowship, education, and personal growth. In addition, they are available for counseling.

## **Accessibility Services Center (ASC)**

The ASC ensures access for every student with a disability by removing barriers in design, promoting disability as an aspect of diversity, and creating a campus where access and inclusion are seamless.

# The Stars Shine Bright in Bethlehem, PA

**Located along the East Coast of the United States, Moravian University calls Bethlehem, Pennsylvania, home.**

Moravian is actually two campuses, famously linked by the Moravian Mile of Main Street that runs right through the historic downtown. Moravian University's feel is entwined with that of Bethlehem, carrying both the resilience of its steel-town lore and the lightness of the window candles that glow each night in Moravian tradition.

## **Culture**

Bethlehem pulses with concerts, restaurants, arts, and all the local appeal of a college town. Yet it also sits in just the right spot for an easy drive to New York City, Philadelphia, or Washington, DC. Known as the Christmas City, Bethlehem is so regarded for its history that it's been added to the UNESCO World Heritage Site short list, hoping to join such historic sites as Independence Hall, the Statue of Liberty, and the pyramids of Egypt.

## **Weather**

The Lehigh Valley experiences all four seasons to the fullest. Fall brings crisp sweater weather and colorful leaves. Winter cloaks our campus in snow. Spring offers rain and blooming flowers. And summer is sunny and warm. Every season brings a little something different to Bethlehem, and we love it!

## **Safety**

The safety of our students is a top priority at Moravian. The Moravian University Campus Police work to maintain a safe and secure environment for everyone and are always available to help, should the need arise. We also offer 24-hour escort and daily shuttle services, as well as emergency blue-light phones throughout campus.

# 17 things 4 you do

You can't have a history spanning more than 280 years without establishing a few traditions along the way. And we take ours seriously!

—Moravian's United Student Government

## 1 Walk the Moravian Mile

The distance between the north and south campuses, about 0.8 mile, is known as the "Moravian Mile." As part of orientation, first-year students traditionally walk the Mile between campuses, through Historic Bethlehem on their way. Once their time at Moravian University is complete, graduating seniors take part in the "Backwards Walk," traveling the Moravian Mile as they did in their freshman year, but this time in reverse.

## 2 Dine at Midnight Oasis

Staying up all night to study during finals week? If so, you deserve a break! Round up all your friends and head to the Star for Midnight Oasis, Moravian's very own late-night breakfast buffet.

## 3 Win at Wingo

Gift cards, video game consoles, TVs, smartwatches, headphones—these are all prizes you have the chance to win while playing Wingo. "What is Wingo?" you may ask. It's bingo plus unlimited wings to eat, presented by Moravian Activities Council (MAC). Make sure you line up early!

## 4 Enjoy Family Weekend

Does your mom text you every day? Are you wishing you could pet your dog? Craving some home cooking? Invite all your favorite family members to campus for Family Day in the fall. You'll have the opportunity to tailgate with your family and friends and cheer on the Greyhounds at a football game.

## 5 Participate in Heritage Day

One day each September, all classes are canceled so the Moravian community can come together to participate in Heritage Day—a campus-wide community service event. As a participant, you'll learn about Moravian University's history and give back to the Lehigh Valley community!

## 6 Take a Photo at the Big Chair

Right outside Jo Smith Hall sits the Big Chair. Aside from Comenius Hall, this may be the most popular photo-shoot destination on campus—think graduation, athletic events, or just a beautiful fall afternoon. Find yourself a personal photographer and strike your best pose.

## 7 Attend the Homecoming Football Game

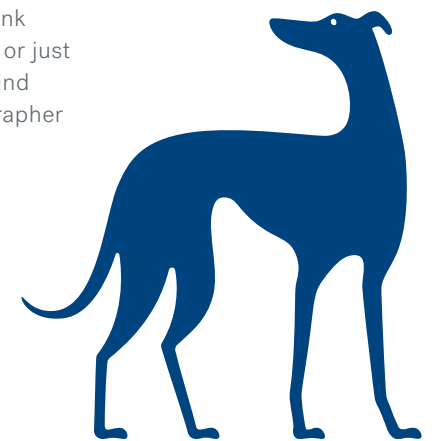

Each fall, alumni return to campus for Homecoming and Reunion Weekend, a true celebration of Greyhound Pride! On Saturday, join in the celebration by attending the Homecoming football game and parade.

## 8 Get Involved at the Club Fair

At the beginning of each semester, our United Student Government hosts a club fair open to all students. More than 80 student organizations and clubs set up tables to recruit members and promote giveaways!

## 9 Pet a Cow at Fall Fest

Moravian Activities Council brings the farm to campus each fall, cows and all! There's pumpkin picking, horseback rides, and a lot of plaid shirts—perfect to get you in the mood for autumn.

# 10

## Take a Ghost Tour of South Campus

As Halloween approaches, it's the perfect time to discover all the ghostly tales our historic campus has to offer. While you're on South Campus, stop by Clewell Hall's very own student-run haunted house. It's sure to be a scary good time!

# 11

## Enjoy Thanksgiving Dinner

Reserve a table in the Star for you and your friends to have a traditional Thanksgiving dinner. You'll see your favorite professors and staff members behind the counter carving the turkey and scooping mashed potatoes.

# 12

## Build a Snowman

During the first big snowfall of the year, be on the lookout for an announcement about the president's annual Snowman Competition. This is your chance to throw on some gloves and create your best work of snowy art.

# 13

## Sled Down Makuvek Field

In the past, Moravian students would "borrow" trays from the cafeteria so they could sled down the hill at John Makuvek Field. Nowadays, Moravian is a trayless campus, but you can keep this winter tradition alive by trading in a meal swipe for a sled at the HUB Desk!

# 14

## Attend Christmas Vespers

There's no better way to get in the holiday spirit than by taking a stroll through downtown Bethlehem to the Moravian Church for a Moravian University Christmas Vespers performance. This candlelight ceremony is a well-loved winter tradition in the Christmas City.

# 15

## Give a MoPaw

Say "thank you" to someone who has had a positive influence on your life, in ways both big and small, by giving them a MoPaw with a handwritten note on the back.

# 16

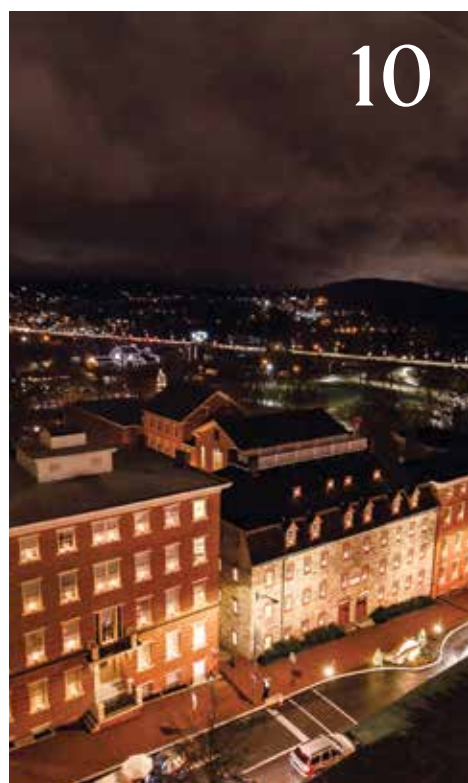

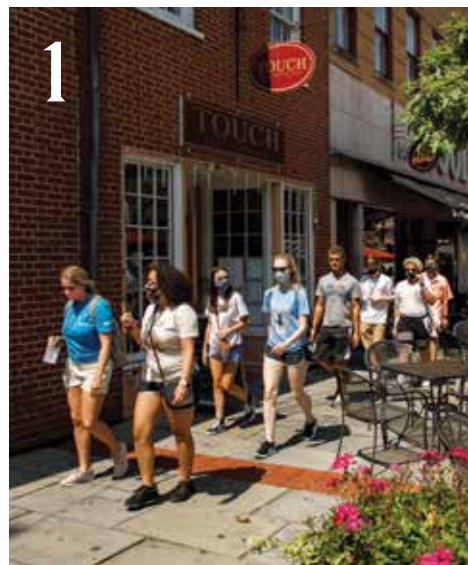

## Pet Mo and Benny

When you're strolling across campus on the way to class, be sure to look out for President Grigsby's greyhounds, Mo and Benny, on their daily walk. If you have a few minutes in your schedule, stop to greet our favorite four-legged friends!

# 17

## Play Pop 'n' Shop

When you attend an Accepted Students Day at Moravian University and make your commitment to being a Greyhound, you'll have the chance to play Pop 'n' Shop and win Moravian merch!

“

Moravian has a strong presence in Bethlehem, full of **positivity** and compassion and an unwavering willingness to offer a helping hand.”

## **The Value of a Moravian Education**

Moravian's history dates back to 1742, and that means we have centuries of traditions and success stories. Yet, for you, what's even more important is what we offer now: the skills that employers want and that graduates need to succeed as dynamic thinkers and engaged citizens.

Plus, we offer some pretty great perks to all students as part of our Elevate experience. As a Moravian student, you'll receive:

- An Apple MacBook, iPad, and Pencil—to keep!
- A short-term study abroad trip (at no extra cost to you)
- Guaranteed work experience
- Lifetime career support, including our **Career Promise**

## Schedule a Campus Visit

[moravian.edu/visit](http://moravian.edu/visit)

How do you figure out if Moravian University is the right fit for you? Check us out for yourself! Experience Moravian with one of our on-campus or online visit options. We offer campus tours five days a week and host special admission events throughout the year. Register now to save your spot!

## Submit Your Application

[moravian.edu/apply](http://moravian.edu/apply)

Moravian University accepts both the Common Application and the Moravian Application. Wondering which to use? Both have the same requirements, so you can choose whichever is easier for you. The best part—Moravian University has no application fee!

In addition to a completed application, submit the following:

- Essay
- Official high school transcripts
- Teacher or counselor recommendation
- Test scores (optional)\*

## We're test-optional!

That means you need to submit your SAT or ACT standardized test scores only if you're applying to our nursing program. Submission is optional for all other areas of study, and it won't hurt your application or financial aid if you choose not to submit.
