MORAVIAN
COLLEGE

We used to use just one word to describe the Moravian College experience: **revolutionary**.

But then we thought, why not let you define it for yourself? Because your college experience is what you make it, and at Moravian, we won't stand in your way.

So don't take our word for it. Our students have their own ways of defining the transformational experiences they have here.

Inspiring

“Moravian gave me the ability to collaborate with those who had similar visions, to have a voice, and to become involved with the campus and local communities.”

—Daria Van Doren '20

moravian.edu/about

Let's Make History Together

Moravian College sits at the intersection of historic and history-making.

As the sixth-oldest college in America, we've earned our reputation as an eye-opening and world-changing place to learn and explore. Plus, we're ranked among the "best colleges in the US" and the "best college campuses in Pennsylvania."

Moravian's academic excellence, top-ranked faculty, and commitment to diversity and inclusion are what draw students from across the state of Pennsylvania and beyond to study at our innovative institution.

There's an endless variety of research opportunities, the latest technology, NCAA sports, student clubs, and even study abroad. The opportunities here are life-changing—some might even say revolutionary.

Explore the Possibilities

Moravian College offers programs of study leading to four baccalaureate degrees—bachelor of arts, bachelor of science, bachelor of music, and bachelor of science in nursing.

COOPERATIVE AND DUAL DEGREE PROGRAMS

Lehigh University
P.C. Rossin College of Engineering and Applied Science

Earn a BS in physics from Moravian College and an MS in mechanical engineering or mechanics from Lehigh University with an average total of 5½ years of full-time study.

Penn State Health
Milton S. Hershey Medical Center

The Medical Laboratory Science Program is an 11-month training program that will result in a certificate in medical laboratory science from Penn State Health Milton S. Hershey Medical Center while fulfilling requirements for a bachelor's level degree in a medical laboratory science–related major from Moravian College.

Washington University in St. Louis
McKelvey School of Engineering

Qualified students have the opportunity to earn a BA in physics from Moravian College and a BS in engineering from WashU in a total of 5 years.

Moravian College
Graduate and Continuing Studies

Earn your bachelor's and business master's degrees from Moravian College in as little as 5 years. Take graduate-level courses during your senior year to help you transition into a full, final year of graduate studies.

Widener University
Delaware Law School

Complete both a bachelor's degree and a graduate law degree (Juris Doctor) in 6 years by enrolling at Widener University's Delaware Law School after your junior year at Moravian College. If admitted to Widener, you will receive a \$10,000-per-year scholarship.

Rutgers Law School

Complete both a bachelor's degree and a graduate law degree (Juris Doctor) in 6 years by enrolling at Rutgers Law after your junior year at Moravian College.

POSTGRADUATE PARTNERSHIPS

Temple University
Lewis Katz School of Medicine

Moravian College participates in the Lewis Katz School of Medicine's Early Assurance Program, a unique program that allows Moravian graduates (once they are accepted to the Lewis Katz School of Medicine) to complete their 4 years of medical school at St. Luke's University Health Network in Bethlehem.

Widener University
Delaware Law School

Through Widener's Express or Guaranteed Admission Program, qualified Moravian graduates will be admitted to Delaware Law and receive a \$10,000-per-year scholarship.

moravian.edu/apple

We'll Provide the Technology

At Moravian College, we believe in providing an accessible and engaging education for all—and that begins with our technology.

As an incoming undergraduate student, you'll receive an Apple MacBook Pro and an iPad after you accept your offer of admission. This technology is yours to keep throughout your education at Moravian and beyond.

Plus, your professors will use the same equipment, and they're trained to integrate Apple technology into their classrooms. Moravian faculty includes Apple Certified Teachers and an Apple Distinguished Educator.

Individualized

“Throughout my time at Moravian, I never felt like I was being put through a cookie-cutter program. I had the opportunity to design my program to fit my learning needs.”

—Cayden Wisner '20

Flexible

“What stands out to me about Moravian College is the fact that the faculty is incredibly accommodating of a diverse array of interests and, in general, caters to these interests and puts the students first.”

—Johanna Pearson '21

moravian.edu/faculty

Connect with Faculty

Moravian’s strong curriculum is reinforced by a scholarly, dedicated faculty, whose influence on students is personal and immediate.

Moravian faculty members—including the most senior—teach first-year classes as well as upper-level classes.

Your professors will be your advisors, sounding boards, confidants, research partners, and fellow travelers. And they’re readily available for you.

moravian.edu/opportunities

Do Your Research

The academic opportunities at Moravian College span far beyond the classroom.

Our students participate in underwater research in Oregon, study the rhetoric of healthcare on Reddit, and investigate the global challenges of scarcity, poverty, and inequality. Where will Moravian take you?

SOAR

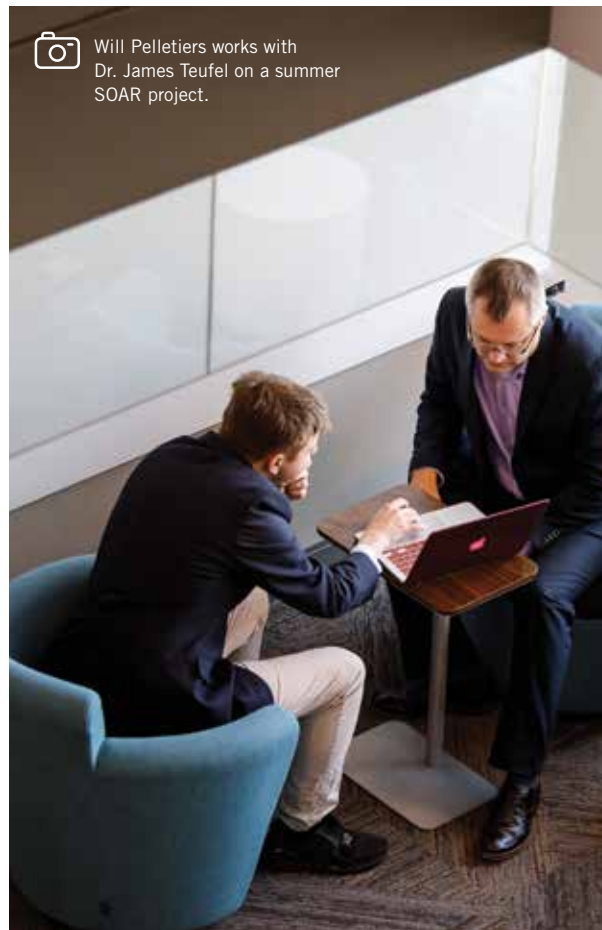

The goal of the Student Opportunities for Academic Research (SOAR) program is to facilitate student research in collaboration with a faculty mentor. To this end, the program provides stipends, travel allowances, and research expenses to support students and their faculty mentors as they engage in scholarly or creative work.

Honors Program

The Honors Program at Moravian College offers seniors of proven ability the opportunity to pursue a year-long study of special interest under the personal guidance of a faculty member who serves as the Honors Project Advisor.

InFocus

InFocus enables students to make a difference in local and global challenges that face all of us. Each year our campus community focuses on one key area and creates pathways for interdisciplinary explorations.

Will Pelletiers works with Dr. James Teufel on a summer SOAR project.

Research opportunities are available to **STUDENTS IN EVERY MAJOR!**

moravian.edu/abroad

Go Global

Our Center for Global Education is dedicated to breaking down the borders of your education.

Have you ever considered attending an international climate change conference? Or traveling across Europe with your favorite professor to visit castles and monasteries from the Middle Ages? You can spend a semester immersed in Spain's culture, language, and food, or become an exchange student in Australia while learning more about climate change and the environment. Wherever you want to go, Moravian College can get you there.

Start your journey by choosing a program style:

Faculty-Led Programs

Take a short-term trip chaperoned by Moravian faculty members.

Affiliate Programs

Go abroad for a semester or year-long program provided by third-party organizations.

Exchange Programs

Become a visiting student at an international university.

Internships Abroad

Travel and learn while receiving hands-on experience in the global workplace.

 Jillian McLuhan travels to the Oregon coast during May term to study marine ecology with Professor Josh Lord.

 **CHOOSE YOUR DESTINATION:**

- Australia
- Austria
- Costa Rica
- England

- Ireland
- Italy
- Japan
- Spain
- and more!

moravian.edu/intern

Gain Industry Experience

At Moravian College, we know learning isn't confined to the classroom.

In fact, we highly encourage you to get off campus for an internship, externship, or co-op! The Center for Career and Civic Engagement can help you find the perfect fit.

Internships

Internships are carefully monitored work or volunteer experiences in which you have intentional learning goals. You can intern in almost any area of study in any part of the country or abroad.

Externships

Externships connect you with a professional in your area of interest. You'll experience the industry firsthand through short-term job shadowing and employer site visits, so you can make an educated decision when choosing a major and seeking employment after graduation.

Co-ops

Co-ops are similar to internships but are typically more intensive. You participate full-time (36 to 40 hours per week) while enrolled in one course connected to your co-op experience.

Tenacious

"The students and professors at Moravian College possess an incredible tenacity that helps us excel in our studies, dreams, aspirations, and careers."

—Julius Sarkozy '21

Natasha Zacarias at her internship with AXA Advisors.

We'll Get You Where You Want to Go

Where can a Moravian College degree take you? Short answer: just about anywhere.

A little revolutionary thinking can take you a long way. From Moravian College to the Museum of Modern Art; from Bethlehem to BPP Law School in London. Greyhounds earn Fulbright Scholarships, Stanford University Research Grants, and NASA internships. Where can it take you? How about, where can't it take you?

98.35%
of our students land a job or head to graduate school within 10 months of graduating.

See the Value

The value of a Moravian education is more than just a number.

It's greater than our stellar career placement rate or excellent sophomore retention scores. It's more powerful than our network of active alumni spanning states and countries. It even outshines our lifetime career support and services.

The true value of a Moravian degree—and the reason we've been around since 1742—is the revolutionary spirit that takes hold of our students and faculty as soon as they set foot on campus. It's the belief that history can, and will, be made here.

moravian.edu/housing

Feel at Home

More than 65 percent of undergraduate students live on campus in traditional residence halls, suites, apartments, fraternity and sorority houses, townhouses, and more.

The residence hall experience at Moravian College provides students with opportunities to learn from one another and create long-lasting bonds. All on-campus residents have access to a furnished unit, wireless internet, coinless laundry, common lounges, and kitchen facilities, either within the individual unit or in the larger residence hall.

moravian.edu/dining

Eating Well Is Easy

There are a number of on-campus dining options for students on any schedule.

Our newly renovated dining space, the Star Campus Restaurant, includes a station featuring locally sourced foods, an allergen-free station, and made-to-order dishes, like fresh pizza and omelettes. DeLight's Café features light, healthy options, while the Blue & Grey Café is the ultimate grab-and-go spot.

And don't forget all the great places to eat out in downtown Bethlehem! You'll never run out of choices.

Find Your Place

Your inner go-getter is itching to get out and do something. And you can.

Build houses—and connections—with Habitat for Humanity. Write an investigative journalism piece for the *Comenian*. Find your spotlight with the Theatre Company. And if you don't find something that catches your eye, start your own club!

moravian.edu/serve

Make a Difference

We believe in giving back to the community that lifts you up.

That's why civic engagement (our way of saying community service) is folded into nearly every aspect of Moravian College.

Alternative Break Service Trips

Service trips allow students to gain a greater understanding of global political, social, and economic issues while visiting different parts of the United States and the world. Through training, orientation, and guided reflection, students embark on self-discovery and personal transformation.

The 1742 Experience

The 1742 Experience offers an opportunity, before first-year orientation, for students to focus on service in the community. This hands-on learning program brings students to campus one week early to build relationships with classmates and to develop a commitment to service and leadership for the common good.

Heritage Day

Heritage Day is a celebration of Moravian tradition, community, and service. For one day during the fall semester, classes are canceled and students, faculty, and staff gather to serve their community. Heritage Day is an opportunity for us to learn about the founders of the college and our cultural heritage.

Vina-Andrea Aguirre participates in Moravian's annual Heritage Day.

Opportunity

“Beginning with my freshman year, I took advantage of almost every opportunity that came my way: I attended the LeaderShape Institute in 2017, I was an RA for two of my four years, I held multiple leadership positions in Greek Life, and I studied abroad three times, once for a full semester. I obtained an internship in Kansas City through an alum. And there’s probably more!”

—Bryn Wiragh '20

A Day in the Life

Cassandra Miller '21

Hometown: Pen Argyl, PA

Major: Business management (marketing track)

Minor: Economics

- 7:30 a.m.** Wake up and get ready for the day
- 8:00 a.m.** Stop by DeLight's Café for breakfast and coffee
- 8:55 a.m.** Head to class in Comenius Hall (my favorite building!)
- 10:00 a.m.** Time for my work-study job at the Office of Admission
- 12:00 p.m.** Grab lunch with my roommate in the Star Restaurant
- 1:10 p.m.** Go to class in the Sally Breidegam Miksiewicz Center for Health Sciences
- 2:30 p.m.** Work out in the Fitness Center (we have brand-new equipment!)
- 3:30 p.m.** Relax in my residence hall—the day's not over yet
- 4:30 p.m.** Attend a club meeting for the Moravian Activities Council (MAC)
- 6:00 p.m.** Get dinner with my MAC friends at the Star
- 7:00 p.m.** Study in Reeves Library (my favorite spot is the Zinczenko New Media Center)
- 9:00 p.m.** Grab a study snack at the Blue & Grey Café
- 10:00 p.m.** Attend a floor meeting hosted by my resident advisor
- 11:30 p.m.** Go to bed and rest up for another day as a Hound!

Imagine Yourself Here

Moravian College is committed to creating an inclusive and intercultural campus community.

Moravian College welcomes you to express your true self. We will do everything we can to make sure you feel supported and at home here!

Office for Diversity, Equity, and Inclusion

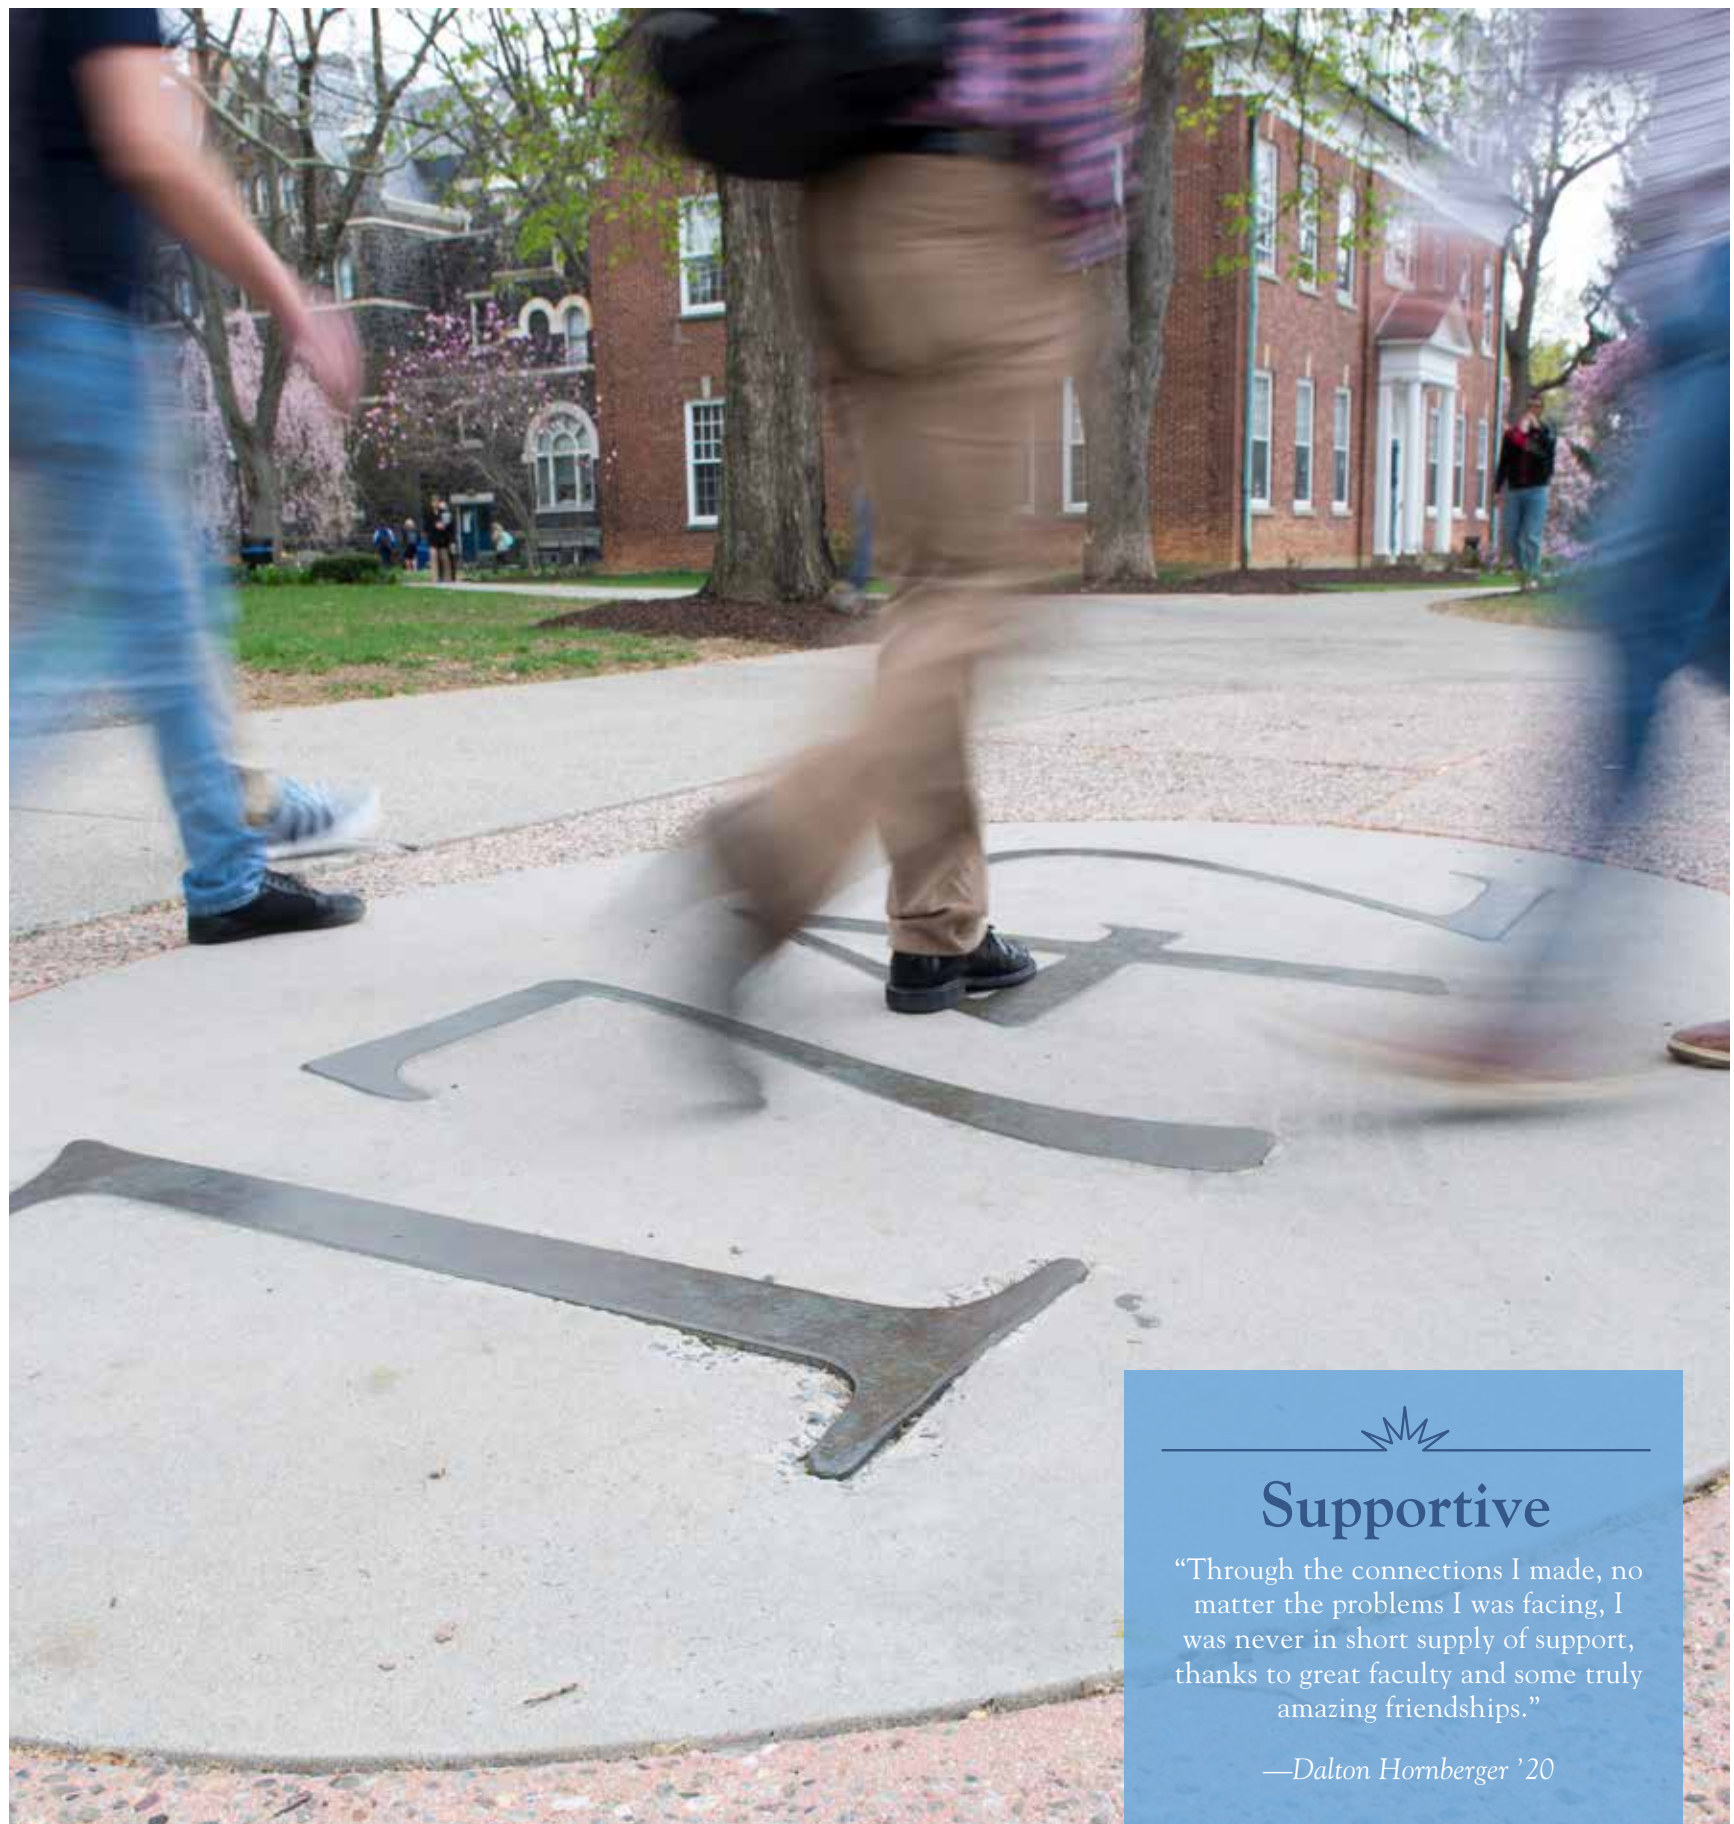

DEI serves as the primary campus resource charged with the creation of an inclusive and intercultural community at Moravian College. This office provides cultural programming and support services for students from traditionally minoritized identities, empowerment for allies, and partnerships with student organizations.

Office of Spirituality and Inclusion

The Office of Spirituality and Inclusion centers around building community, honoring diversity, and engaging in spiritual dialogue. The chaplains provide opportunities for worship, discussion, fellowship, education, and personal growth. In addition, they are available for counseling.

Accessibility Services Center

The ASC ensures access for every student with a disability by removing barriers in design, promoting disability as an aspect of diversity, and creating a campus where access and inclusion are seamless.

Supportive

“Through the connections I made, no matter the problems I was facing, I was never in short supply of support, thanks to great faculty and some truly amazing friendships.”

—Dalton Hornberger '20

Just a short drive away from
**PHILADELPHIA, NEW YORK CITY,
AND WASHINGTON, DC.**

moravian.edu/bethlehem

Fall in Love with Bethlehem

Located along the East Coast of the United States, Moravian College calls Bethlehem, Pennsylvania, home.

Culture

Don't worry, there's plenty to do right here in the Lehigh Valley! Whether you're attending one of the best music festivals in North America (Musikfest) or enjoying a baseball game at nearby Coca-Cola Park, there's never a dull moment in Bethlehem, PA.

Weather

The Lehigh Valley experiences all four seasons to the fullest. Fall brings crisp sweater weather and colorful leaves. Winter coats our campus with snow. Spring offers rain and blooming flowers. And summer is sunny and warm. Every season brings a little something different to Bethlehem, and we love it!

Safety

The safety of our students is a top priority at Moravian College. The Moravian College Police Department works to maintain a safe and secure environment for everyone and is always available to help, should the need arise. We also offer 24-hour escort and daily shuttle services, as well as emergency blue light phones throughout campus.

moravian.edu/traditions

Carry On the Tradition

You can't have a history spanning more than 275 years without establishing a few traditions along the way. And we take ours seriously.

The Blue and Grey

Did you know Moravian College adopted the colors blue and grey in 1894? With the bitter battles of the American Civil War still a recent memory, the choice of colors represented a gesture of unity and healing.

The Moravian Mile

The distance between North and South campuses is known as the "Moravian Mile." As part of orientation, first-year students walk the Mile between campuses, traveling from North to South through Historic Bethlehem on their way. Once their time at Moravian College is complete, graduating seniors take part in the "Backwards Walk," walking the Moravian Mile as they did in their freshman year, but this time in reverse.

Vespers

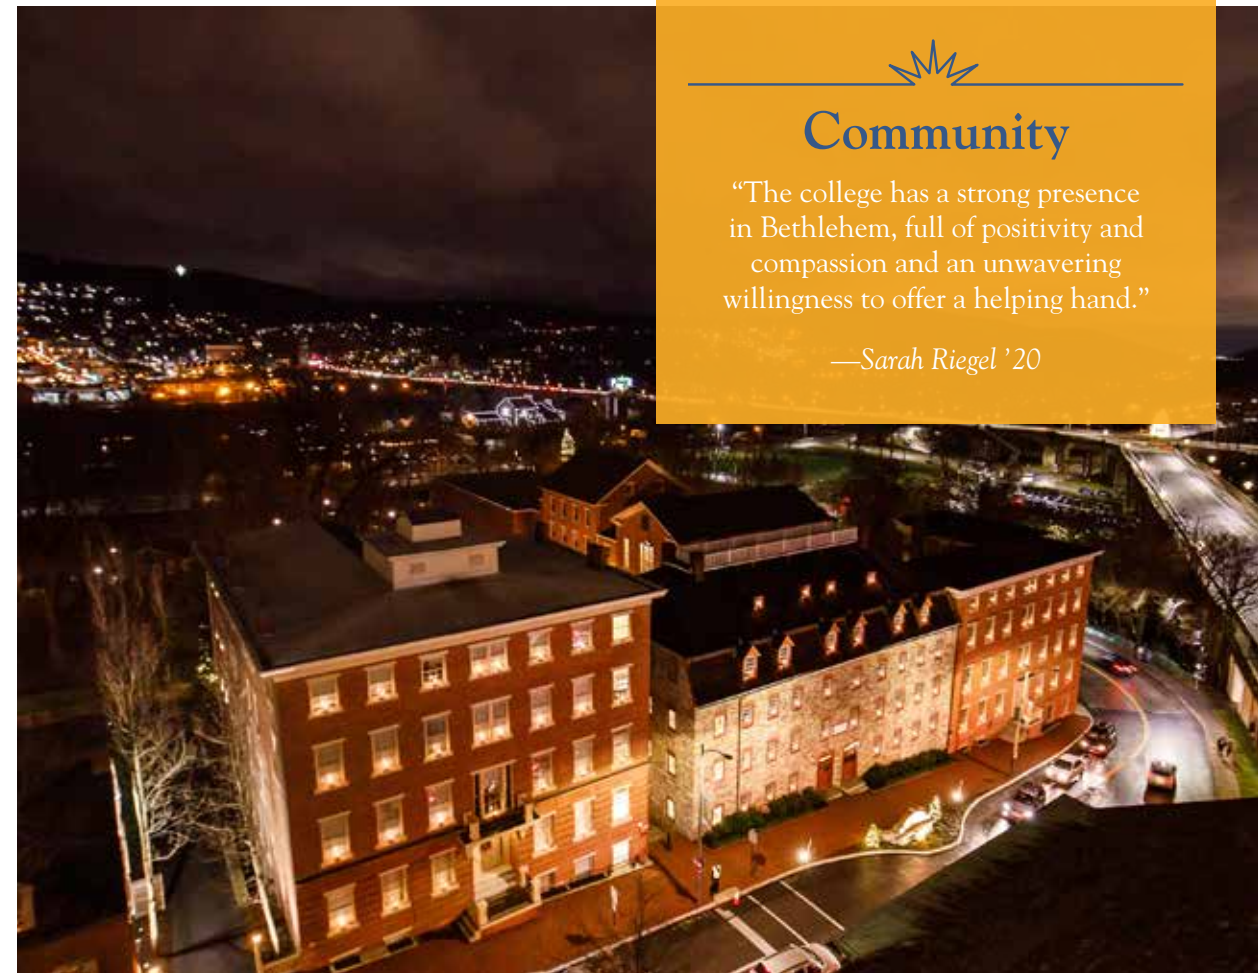

A local holiday tradition hosted by Moravian College, Christmas Vespers is a beautiful service that features two forms of Moravian worship, the "Singstunde" and the Candlelight Service. Music by our students combines with the beauty of the liturgy in this service of worship for the college community and friends.

Community

"The college has a strong presence in Bethlehem, full of positivity and compassion and an unwavering willingness to offer a helping hand."

—Sarah Riegel '20

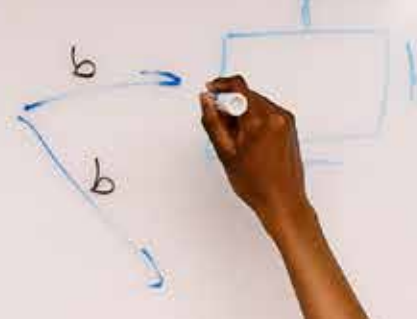

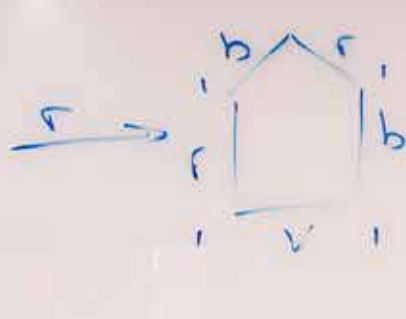

Moravian College Choir performs the Candlelight Service during Christmas Vespers.

“BEST COLLEGES FOR YOUR MONEY 2019”
—MONEY Magazine

moravian.edu/affordable

We'll Make It Affordable

Your decision about which college is the “right fit” comes down to several factors. And for most families, a major consideration is affordability.

Rest assured, Moravian College is committed to working with you to make sure a private school education is within your reach! Affordability matters to us. That's why we award more than \$42 million in financial aid each year. Plus, 100% of first-year students receive some form of financial aid.

moravian.edu/apply

Get Ready to Apply

We'd be lucky to have you!

Application Requirements

Moravian accepts both the Common Application and the Moravian College Application. Wondering which to use? Both applications have the same requirements, so you can choose whichever is easier for you. The best part—Moravian College has no application fee!

In addition to a completed application, you are required to submit the following:

- Official high school transcripts
- Official SAT or ACT scores (optional for non-nursing students)
- Teacher or Counselor Recommendation

Test-Optional Policy

The submission of SAT and ACT standardized test scores is optional for students applying for undergraduate admission (with the exception of students applying to the nursing program). Scores will still be accepted and considered if the applicant desires.

If you choose not to submit test scores, it will not hurt your application. Test scores are not required in order to be considered for most scholarships and financial aid.

Contact Us

We would love to hear from you! To connect with your admission counselor, call 610-861-1320 or email admission@moravian.edu.

Family

“The kindness of our community strikes me as Moravian College’s most profound quality. No price tag can be put on the relationships I have made while at Moravian, and there is no limit to the gratitude I have for them. From students to faculty to staff, the people at Moravian have become my family.”

—Austin Lewis '20
